

# ORBITAL ASSEMBLY GUIDE

**ELECTRIC  
FIREFLY**  
DESIGN & CREATION

ALSO ON VIDEO AT: [www.electricfirefly.com.au](http://www.electricfirefly.com.au)

**1.**

Each piece joins the next at 1 long hook and 1 short hook.

Each piece faces the same way up.

**2.**

Not like this

And not like this

**3.**

Each piece joins the same way.  
They'll stay in place when attached properly

a.

b.

c.

d.

5 long hooks form a spiral

a.

b.

3 short hooks

If one of the pieces is not in the spiral then it's in the wrong place

**4.**

a.

b.

c.

d.

When you fit the cable into your shade, make sure it fits into the centre of the spiral  
If you are using the table lamp fitting, make sure the frame is fitted.
